This test report was generated from a validated system and is valid without a signature.

The laboratory accepts no responsibility for the information provided by the customer.

In the case of samples not taken by the laboratory, results refer only to the samples delivered to the laboratory.

Decision rule: in case of analytical tests we consider the sample meeting the requirements if the result with the expanded measurement uncertainty overlaps with the range of requirement.

Decision rule: in case of microbiological tests we define the sample to meet the requirements if the result complies without considering the measurement uncertainty

The report shall not be reproduced except in full without the written approval of the WESSLING Hungary Kft.
